

Schedule for the “Urinary Examination” in the Students’ Annual Health Checkup in 2026

—For graduating students and those who are completing a master’s/doctoral course—

Submit the form without fail on the designated day for the urinary examination for graduating students and those who are completing a master’s/doctoral course, according to the following schedule.

When submitting this form, receive a container for urinalysis beforehand at the guidance of the department you belong to, collect midstream urine in the container early in the morning of the day for submission, and submit it by 11:00 AM on the day.

Details

April 17 (Friday)	Optional extra day	Health Care Center or Academic affairs section of Medical, Health Science, and Pharmacy

(Note)

1. Since the samples (containers) will be collected for urinalysis at each department, students must submit the urinalysis container, with the necessary information written on the label, to the designated place **by 11:00 AM on the designated day (make sure to meet the deadline)**.
2. Those who have failed to submit samples or female students whose physical condition is unsuitable for urinalysis on the designated day should submit their sample to the Health Care Center (or the academic affairs section of medical, health science or pharmacy) **by 11:00 AM of Friday, April 17, optional extra day**. However, since the Health Care Center may be crowded on the optional day, please try to submit the sample on the designated day (April 7-10).
3. Additional urinary examinations for those who have not submitted a sample will not be conducted at the Health Care Center; such persons must arrange a **paid examination** by themselves at a hospital, etc.
