

Student Annual Health Checkup in 2026

Important

【To international students】

A student annual health checkup is performed in every April. For all students it will be held at **Health Care Center**, and appointments are required. Please read the QR code on the right and make an appointment from Moodle. The appointment form is divided into four types depending on gender and eligibility of chest X-rays. All **new** students are required to have a chest x-ray. Please make an appointment using the form that you are eligible.

【Period of the health checkup】

2026 April 6th (Mon) ~24th (Fri)
(excluding April 10th, 13th & Sat & Sun)

Only for the following Students, no appointment required.
Please come to Health Care Center at the designated time on April 6th (Mon).

Medical Course 5th year : M 9:00~10:20、F 10:30~11:30

- After PC reception, X-ray is taken in a medical examination car.

【How to make an appointment】

1. Read the QR code below

2. Enter KUMADAI ID and password, and click "Login".

【To freshmen】

If you are not sure about your KUMADAI ID, please confirm at the SOSEKI guidance. The initial password can be found on the back of the student ID card.

※When you log in for the first time, the "Profile Settings" screen may be displayed. Please enter your name and email address and click "Update Profile" to register and proceed.

3. Read "the explanation about the health checkup".

4. Select one from the four options.
(For new students, please choose one with X-rays.)

5. Select the date and time of your choice and click "Save my vote (私の投票を保存する)".

Please be sure to click!

6. Confirm the appointment completion screen.
(Show this screen at the entrance on the day of the health checkup)
