

Schedule for the “Urinary Examination” in the Students’ Regular Health Checkup in 2024

— First-year undergraduate students —
(including research students and international students)

Since urinary examinations will be conducted for first-year undergraduate students according to the following schedule, please submit the sample on the designated day without fail.

When submitting this form, receive a container for urinalysis beforehand at the guidance of the department you belong to, collect midstream urine in the container early in the morning of the day for submission, and submit it by 11:00 AM on the day.

Details

Date for submission	Department	Place to submit
May 13 (Monday)	School of Medicine School of Pharmacy	Academic/student affairs section of the department, etc., the student belongs to
May 14 (Tuesday)	Faculty of Science	Lobby, 1st Floor of Faculty of Science Building No.1 & No.2 * Between 8:30am and 11:00am *
	Faculty of Engineering School of Informatics	Lobby, 1st Floor of Faculty of Engineering Building No.2 * Between 8:00am and 11:00am * * Strict punctuality *
May 15 (Wednesday)	Faculty of Letters Faculty of Education Faculty of Law	Academic/student affairs section of the department, etc., the student belongs to
May 22 (Wednesday)	Optional extra day	Health Care Center

(Note)

- Since the samples (containers) will be collected for urinalysis at each department, students must submit the urinalysis container, with the necessary information written on the label, to the designated place **by 11:00 AM on the designated day (make sure to meet the deadline)**.
- Those who have failed to submit a sample or female students whose physical condition is unsuitable for urinalysis on the designated day should submit their sample to the Health Care Center by **11:00 AM on Wednesday, May 22 (optional extra day)**. However, since the Health Care Center may be crowded on the alternate day, please try to submit the sample on the designated day (May 9–11) as far as possible.
- Additional urinary examinations for those who have not submitted a sample will not be conducted at the Health Care Center; such persons must arrange a **paid examination** by themselves at a hospital, etc.
